

# Support for Reducing Costs to Set Up Business

## [2022 O-BIC Support Program for Foreign Companies]

### 1. Outline of Program

For the Osaka Business and Investment Center (O-BIC) to promote investment in Osaka, the O-BIC Support Program for Foreign Companies aims to support foreign companies that have decided to set up a base of business operations in Osaka Prefecture, by alleviating the burden through reduction of part of the costs to be paid by such foreign companies.

### 2. Companies Eligible for the Support Program

Eligibility is restricted to those foreign companies (with one third (1/3) or more foreign capital percentages) that set up a new head office or branch in Osaka during the period from April 1, 2022 to March 31, 2023, assisted by O-BIC or other local municipalities.

### 3. Costs Covered by the Support Program

Concerning the following costs\*\* to be paid to Supporting Companies\* registered with O-BIC for their services offered before the establishment of a head office or branch, the costs designated by O-BIC are provided with the actually required costs as the maximum amount:

1. Expenses for obtaining registration: 100,000 yen per applicant
2. Expenses for obtaining the status of resident\*\*\*: 50,000 yen per applicant  
(The deadline for application is March 31, 2023.)

\* “Supporting Companies” are those companies, organizations or individuals registered with O-BIC as ones who can provide the necessary support for foreign companies starting a business in Japan.

\*\* The following costs are not covered:

Costs that do not relate to the provision of services, such as expenses to be paid to governmental or public offices, etc., expenses that are subsidized or otherwise supported by any other programs

\*\*\* For individual start-ups, only the “expenses for obtaining registration” as described in 1. above are covered.

\*\*\*\* Support funds are provided only within the budgeted amount.

- Regarding the approval of the establishment of a new head office or branch, circumstances concerned with procedures for registrations, permits or notifications are comprehensively considered.

**4. Confirmation of the Payment of Costs**

In order to confirm actual business operations, O-BIC’s staff or other personnel may visit your company to check through the originals of relevant contracts, permits, invoices/receipts or other documents. If such documents cannot be confirmed, support funds will not be paid.

**5. Payment of Support Funds**

Support funds will be paid to the applicant’s bank account in Japan, after the applicant is approved to use the support program.

**6. Language to be Used**

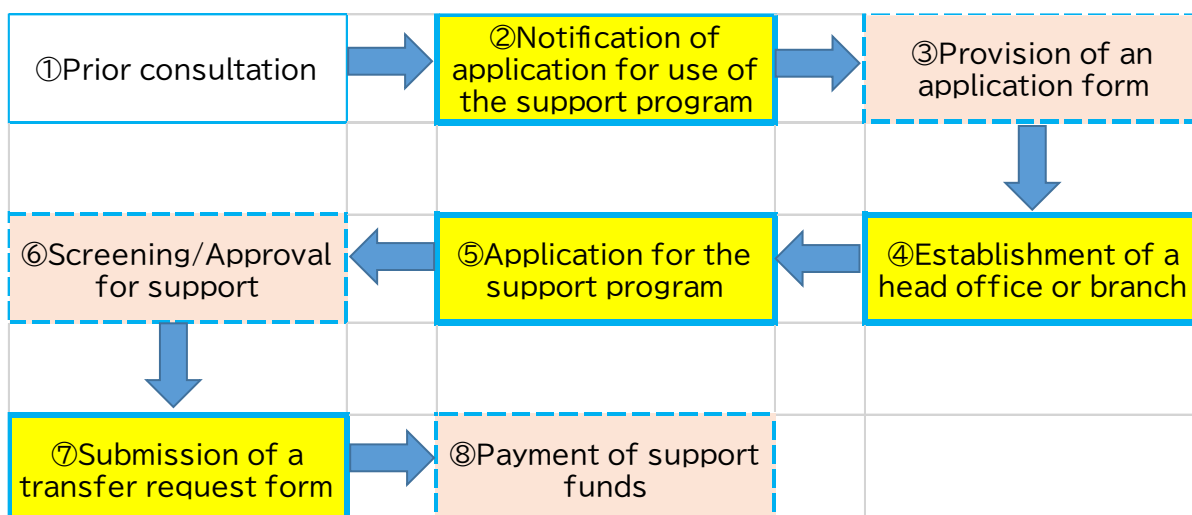

All of the application forms and other documents must be completed in Japanese or English.

**7. Other Notes**

The support fund recipient’s name and the amount of support funds and other information may be disclosed to the public, but please be sure to acknowledge this in advance.

Any recipient who is found to have made a false statement or misrepresentation on the application form or on any accompanying documents will be demanded to pay back the funds even after the payment of such funds.

**8. Flow of Procedures**
