

The 13th Osaka Business Networking Club Networking Event with Osaka-based Foreign Banks

~ Foreign banks offer unique services that can be beneficial
when conducting overseas business ~

The 13th Osaka Business Networking Club has invited representatives from six foreign-owned banks with operations in Osaka to give presentations and take part in a networking meeting at its upcoming networking event on November 13. In addition to giving presentations that will provide information on how foreign banks can be successfully utilized when doing business with companies overseas or when expanding business abroad, the bank representatives will be on hand afterwards for direct discussions with participants.

This is a great chance to build links with foreign banks and foreign-affiliated companies in Osaka as well as local companies with a strong interest in expanding their business overseas. We welcome you to take part in the event and look forward to seeing you there.

*The Osaka Business Networking Club

The network was established in October 2008 by Osaka Prefecture, the City of Osaka (IBPC Osaka), the Osaka Chamber of Commerce and Industry and JETRO Osaka to facilitate networking among companies which have been investing in Osaka and to provide them with further opportunities for business expansion.
