

Test, Set-up and Expand your business from Osaka, Japan!!

Gateway to the
Japanese market
through Osaka

Osaka Online Tour- Pop-up Shops for Market Testing

Overview

OCCI and O-BIC plan to collaborate with Nankai Electric Railway to promote pop-up shop opportunities at Namba Parks to foreign organizations and companies via online webinar (Dec.16th 2025).

Purpose

Leverage post-Expo 2025 international attention to provide test marketing opportunities for foreign businesses entering the Osaka/Japanese market.

Event Details

Zoom webinar (16 Dec. 2025, 15:00-16:00: JST) featuring Namba area overview, Japanese B2C market insights, live pop-up space tour, and exhibition requirements.

Support for Osaka-based Japan Entry

STEP 1

Pre-Entry

Test consumer response in Osaka as Japan's gateway market (Pop-up shop at Namba Parks)

STEP 2

Entry Phase

Start your business in Osaka with O-BIC support (one-stop service center for business investing)

STEP 3

Post-Entry

Expand business through local partnerships
(B2B matching program, M&A support, Pitching event etc.)

大阪商工会議所 **OCCI**
The Osaka Chamber of Commerce and Industry

Target: Companies interested in expanding
their business into Osaka, Japan
